# CORPORATE PARTNERSHIPS

Livingstone International takes an active role in proudly supporting organisations that positively impact lives and communities throughout Australia

Founded by Livingstone International in late 2022, the Livingstone Foundation focuses on human welfare, education, community development, spiritual, and physical well-being, First Nations, rural, elderly, and youth development. The aim is to support all ages, disadvantaged, vulnerable and marginalised Australians so they are given the best opportunity in life to thrive. Livingstone Foundation has appointed a professional independent administrator Australian Philanthropic Services to support the directors with governance and giving with impact. **When you purchase from Livingstone International, you're contributing to the success of The Livingstone Foundation.**

The McGrath Foundation began over 20 years ago with a focus on breast cancer and has since expanded to support all Australians affected by cancer with free, practical care. Their mission is to ensure that no one faces cancer alone, making a meaningful impact in communities nationwide. Livingstone is proud to support this work through the Livingstone Foundation, reinforcing our commitment to health, equity and community wellbeing. By partnering with organisations that drive lasting change, the Foundation continues to invest in a stronger, more supported Australia.

Ronald McDonald House Charities Sydney plays a crucial role in supporting families with seriously ill or injured children by providing free accommodation located near Sydney Children's Hospital. More than a place to stay, the House eases the pressure of long hospital journeys, especially for families travelling from regional and rural areas. The Livingstone Foundation supports this essential service, recognising the importance of stability and care during times of medical hardship. This partnership aligns with our ongoing focus on strengthening family wellbeing and supporting community-based care networks.

Asthma Australia has been the leading charity for people with asthma and their communities for over 60 years, addressing climate change, unhealthy air, and health inequity by advocating for those with asthma. The Livingstone Foundation continues its proud support of Asthma Australia, recognising its vital role in improving the lives of those affected by asthma. We remain committed to raising awareness and highlighting the impactful work being done to support those living with this condition.

Livingstone has partnered with Gunawirra, a not-for-profit organisation that supports Aboriginal and Torres Strait Islander mothers and children. Through this ongoing collaboration, Livingstone donates 1% of all sales from its Duga product range to fund the art therapy program at Jarjum Preschool in Lismore. This program promotes emotional and creative development for young Aboriginal and Torres Strait Islander children, helping them connect with their culture. Livingstone and Gunawirra remain committed to empowering Aboriginal and Torres Strait Islander communities through this vital partnership.

Livingstone is passionate about developing initiatives that support and provide opportunities for First Nations peoples, their communities, and businesses. We collaborated with artists from Dalmarri to create packaging artwork that reflects our core values. This partnership highlights opportunities for First Nations peoples while demonstrating our commitment to improving health outcomes through culturally significant initiatives. Together, Livingstone and Dalmarri honour First Nations culture and strive for a brighter future for all Australians.

Livingstone proudly partners with Accelerate, a First Nations Injury Management company dedicated to helping Australians recover from workplace injuries. This collaboration provides funding, resources, and essential supplies to support Accelerate's education, employment, and community assistance initiatives for First Nations people. Through this partnership, we are dedicated to providing high-quality care to First Nations communities across Australia.

Livingstone is proud to partner with UNICEF Australia, supporting vulnerable children through the Early Childhood Development Program for young Aboriginal children in rural areas. This program enhances health outcomes, introduces innovative early learning models, and promotes employment and training for local women. Together, Livingstone and UNICEF Australia are committed to helping disadvantaged children and communities thrive.

Livingstone is dedicated to providing access, resources, and funds to the community. Our partnership with St. George Foundation enables funding for small charities that directly support families but lack government funding and fundraising capacity. Since 1990, St. George Foundation has collaborated with over 800 community organisations across Australia, investing more than \$23 million to improve the lives of disadvantaged children. Livingstone and St. George Foundation share a commitment to delivering quality support to Australian children in need.

# COMPANY PROFILE

## COMPANY OVERVIEW

Livingstone International was founded in 1984. It is an Australian Owned company that supplies consumables to over 25,000 customers throughout Australia and overseas within the Healthcare, Medical, Dental, Childcare, Pharmacy, Hair & Beauty, Education, First Aid, Scientific, Food Manufacturing and OH&S industries. Celebrating over 40 years in the industry, Livingstone International is proud to be a distributor and marketer of over 65,000 products.

## MISSION STATEMENT

To become the market leader in the healthcare, dental, scientific, and safety industries by providing quality products combined with customer-focused service, at the most competitive prices.

## THE LIVINGSTONE BRAND

Here at Livingstone, we are proud of our own premium quality branded products. We continuously try to understand our customers' demands and have developed the Livingstone brand in accordance to their needs and wants focusing on customer satisfaction. Our Livingstone products are competitively priced and are of premium quality - representing the best value - that has made us market leaders in the pharmacy industry.

## PRICE GUARANTEE

We have a team of people who are constantly benchmarking and comparing our prices against other companies. Therefore, we can confidently declare and guarantee that our pricing are always the lowest against our main competitors. We have the buying power and the scale to reduce costs, and to pass them on to you. In the unlikely event that you have been offered a better price for an identical product\*, we will beat it by Five Percent (5%). Please chat, email or call us to have the price beaten or matched. It will be our pleasure to demonstrate our capabilities to you.

**Email: [retail@livingstone.com.au](mailto:retail@livingstone.com.au) Phone: 1300 302 557**

\* An identical product means identical features, quality, specifications, pack size, components, validity, warranty, expiry date, delivery terms, and stock availability.

## CUSTOMER SERVICE

The Livingstone group employs experienced staff that are committed to assisting our valued customers. We offer personalised account managers to service our customer's diverse needs.

## PRIVACY ACT

Livingstone is committed to protecting your privacy; if you do not wish to receive information from Livingstone, please email: [retail@livingstone.com.au](mailto:retail@livingstone.com.au) and type "remove my details" in the subject header. Please include your mail code and contact details (name and company) in the email.

## DISCLAIMER

## PUBLISHING SYSTEM

Livingstone International employs a sophisticated marketing approach; utilising a combination of marketing staff to deliver our message through direct marketing materials, advertising, e-commerce, trade shows and customer visits. Direct marketing materials come in the form of brochures, catalogues, fax and email broadcasts. The in-house design team use sophisticated technology to create award winning designs and marketing materials. This has saved the company valuable time, money and resources in its marketing and promotional activities. An added advantage of the publishing and graphics system is that it enables the company to publish in-house magazines and publications for industry circulation. The company is also earning additional revenue from advertisers. We also advertise in catalogues and on websites with our strategic partners. Livingstone has the scope to extend its publications to doctors, dentists and laboratory technicians. The design and artwork of this catalogue are subject to copyright protection in part and/or in whole.

## CERTIFICATIONS

Livingstone International has been granted HACCP certification on range of reusable and disposable gloves - Latex and vinyl, head protection and aprons. HACCP Australia Food Safety Accreditation provides a recognised endorsement of food safety excellence.

Further, Livingstone International is a member of Sedex, a global membership organisation used to manage labour rights, health and safety, the environment and business ethics. This ensures better management of social and environmental risks within their supply chain, to make a real positive impact with responsible sourcing.

Livingstone is also an accredited Australian Trusted Trader meeting and exceeding international and domestic supply chain security and trade compliance standards and practices. Livingstone has been awarded the Environmental Management System Certification complying with the requirements of ISO 14001:2015 for our offices and warehouse operations.

## E - COMMERCE

At Livingstone, we understand the advantages the Internet brings and as a result we have harnessed the capabilities for the benefit of our customers. The newly updated Livingstone website ([www.livingstone.com.au](http://www.livingstone.com.au)) makes it extremely easy, cost effective and convenient for customers to shop with Livingstone.

## QUALITY POLICY STATEMENT

Livingstone International's quality management system has been designed to conform to ISO 9001:2015 and meet the requirements laid down by the Australian Standards Association. This quality management system has been designed and implemented as a means of ensuring that products supplied by the Company are of the highest quality, and in every instance, meet the needs and requirements of the Company's customers. The quality and reliability of the Company's products is the concern of every person in the organisation and not just the sole responsibility of quality assurance personnel. It is an important requirement of this policy that Livingstone supplies its customers with products that are suitable for their intended purposes and that conform to the relevant agreed specifications or contracts. The company ensures supplied products adhere to the appropriate Australian standards. For therapeutic goods, the company conforms to the import, labelling requirements and guidelines stipulated by the Department of Health.

Livingstone International has also received ISO13485 certification, which is the International Standard for Medical Device Manufacturing. Along with this certification, we have also received CE markings on a wide range of our medical device products. You can rely on Livingstone to deliver the best quality products at the best possible price.

## LOOK OUT FOR OUR ECO-ALTERNATIVES

In line with our push on environmental initiatives, we are committed to providing our customers with eco-friendly alternatives and solutions to their everyday products. Make sure to look out for the icons below to identify our "eco-alternatives" range.

### BIODEGRADABLE

Biodegradable products can be broken down naturally with microorganisms in the environment. However, trace elements are still present in the soil.

### COMPOSTABLE

Compostable products are made from natural materials such as starch. They decompose fully into the soil and leave beneficial nutrients for plants.

### RECYCLABLE

Recycled products can be broken into reusable materials, effectively reducing the volume of waste deposited in landfills.

### FSC® CERTIFIED

When raw materials are collected from forests, FSC-certified products ensure sustainable and ethical protection of local communities and biodiversity.

Billions of plastic toothbrushes are dumped into our landfills and oceans every year, harming plant and animal life all over the world. You may think that we can't make a difference, but the truth is that everyone can help make the world a better place. It starts with small choices like **CHOOSING BAMBOO OVER PLASTIC**. With our sustainable toothbrushes, we hope we can be a small part of helping customers **SAVE THE EARTH**.

# CONDITIONS OF TRADE

## PLACING ORDERS

1. All orders are to include item code, product description, quantity, price and freight and handling charges (for own freight company/ carrier, see below for details).
2. Orders may be placed by phone, fax, mail, or e-mail. Please quote your order number and payment details.
3. Detailed conditions of trade appear on reverse side of invoice.

## TERMS AND METHODS OF PAYMENT

1. Strictly 30 days from date of statement for account customers.
2. All new customers must complete an account application form.
3. For non-account customers, payment is required with order and can be paid by cheque, Mastercard, Visa Card, American Express or direct deposit into our nominated account or EFTPOS.
4. The cost of recovering any default of payments will be borne by the customer. Court in NSW has sole jurisdiction.
5. The goods remain the property of Livingstone International until full payment is received.
6. Insurance is always the responsibility of the export customers; we do not insure export consignments.

## PRICES

1. Reduced prices in catalogue are applicable for First Time Users.
2. Standing orders, for 12 months or longer are negotiable, subject to minimum quantity requirements.
3. Prices are negotiable for bulk requirements. Please contact our sales department.
4. Prices are quoted in Australian dollars.
5. Catalogue prices are correct at time of printing. Livingstone International may pass on price increases during the period of the catalogue due to currency exchange variances and manufacturer price increases. Customers will be advised of any such changes on [www.livingstone.com.au](http://www.livingstone.com.au). Please check prior to placing order.
6. We reserve the right to rectify prices quoted in the invoice, if found to be incorrect.

## AVAILABILITY AND BRANDS

1. We endeavour to stock all items displayed in this catalogue at all times. However, due to unforeseen/unexpected circumstances there is always a possibility that we may temporarily run out of stock of a particular stock item, in which case we will exercise our discretion and supply an alternative brand of comparable quality to save you the inconvenience of backordering.
2. If back ordered item is no longer required, please advise our customer service.

## 10% RESTOCKING FEE

Goods returned due to orders placed incorrectly will be subject to a 10% restocking fee with a minimum fee of \$20.00.

## ISSUE OF CREDIT

Livingstone International reserves the right to refuse or delay credit or replacement unless procedures for returning goods are followed.

## DELIVERY

If you prefer to nominate your own carrier, please supply in writing your own carrier's name and account number, otherwise the following freight and insurance charges will apply;

Capital Cities	Country Areas outside Metro	Extremely remote regions
Sydney, Brisbane, Melbourne, Adelaide, Canberra, Perth, Hobart and Darwin		
\$25.00 per order	\$25.00 per order	\$40 to over \$100

## GOODS RETURNED

1. Prior Approval must be obtained from Customer Service & Accounts Depts. on 1300 556 556/ 1300 722 722 before returning goods.
2. A Return Authority (R.A.) Number will be sent to you once the return is authorised. This number is to be included with the goods, together with a copy of our delivery docket/invoice and any other relevant correspondence.
3. Goods returned must be in their original packaging.
4. Any claim for incorrect shipments, faulty or damaged goods on delivery, must be made within five working days of receipt of goods.
5. Goods will be accepted for credit or replacement at the sole discretion of the management of Livingstone International.

## COLLECTION OF GOODS

1. Livingstone International will arrange for the goods to be collected, unless otherwise agreed in writing.
2. If goods are returned without any written authorisation, the company is not responsible for any freight charges (for any reason).

## CLAIMS FOR BREAKAGES

Claims for breakages must be referred to your insurers. We do not insure export consignments.

## DISCLAIMER

Whilst the utmost care has been taken in the preparation of this product catalogue, the final responsibility for information about individual benefits, specifications or capabilities of products rests with the manufacturer. Livingstone International accepts no responsibility for any changes or amendments to product specifications in this catalogue. The use of such information and the conditions in which products are used are beyond the control of Livingstone International. It is the obligation of the user to determine the correct selection and use of these products. Consumers will be advised on [www.livingstone.com.au](http://www.livingstone.com.au) of any catalogue price changes due to errors, omissions, currency exchange variations or significant price increase imposed by manufacturers. Please check prior in placing order.

\*N.B. For bulky/heavy consignments which exceed the below, extra freight will be invoiced at cost. (P.O.A)

# ENVIRONMENTAL, SOCIAL & GOVERNANCE (ESG)

With 40 years of supplying quality consumables across Australia, we have evolved to become the company we are today thanks to the help of our customers and partners that continue to support us throughout these decades. Formerly known as Corporate Social Responsibility (CSR), we now refer to Environment Social Governance (ESG). We are committed to sharing our success by giving back to the community in much needed areas through environmental incentives, indigenous reconciliation, ethical sourcing, diversity and inclusivity. Livingstone follows six pillars that reinforce our commitment based on the UN Sustainable Development Goals (SDG):

## Environmental Incentives

We understand the responsibility and the importance we hold over how we can improve our operations for a greener planet. Livingstone practice environmental initiatives within our offices and warehouses and as a result, we are ISO 14001 certified which is the international standard that specifies requirements for an effective environmental management system within workplaces. We are working hard with our suppliers and partners to create and provide a wide range of eco-friendly and sustainable alternatives to your everyday products. We're committed to ensuring that these products will be accessible to all our customers and partners so that they can create greener choices and reduce our environmental impact on the world.

## Climate Change

Livingstone recognises the importance of reducing our carbon footprint in all aspects of business, from our offices, to our dispatch facilities and with our suppliers and factories. By reducing our carbon footprint this mitigates the effects of global climate change and improves public health, boosts the global economy and maintains biodiversity. We have introduced environmentally friendly packaging and expanding new eco-friendly product ranges. We have begun to implement this through our supply chain, consolidating our orders to minimise gas emissions. In our offices and warehouse facilities we have introduced energy efficient lighting, fuel efficient vehicles and recycling programs. Our warehouses are now undergoing paperless orders. We will continue to improve our business practices to have a carbon neutral footprint in the coming years.

## Quality & Assurance

At Livingstone, one of our main goal is to provide quality products at a competitive price. Throughout the years, our supply chain has constantly improved and updated to ensure that we are providing our customers with assurance over the quality of our products. We pride ourselves on ensuring third party quality testing is performed prior to any shipment on all products to ensure we meets and exceed Australian, American and European standards. We are also an accredited Australian Trusted Partner which is a partnership between Australian businesses and the Australian Government to streamline legitimate trade.

## Ethical Sourcing

At Livingstone, we ensure to put an emphasis on the importance of behaviour and morals with all our suppliers before we go into business with them. Our main focus of managing our connections with our new and existing suppliers is ensuring they share our commitments to social and environmental responsibilities. Livingstone is proud to be a member of Sedex; an organisation that enables businesses to work together to better manage their social and environmental performance and improve working conditions throughout their supply chain.

## Gender Equality

At Livingstone, we believe that all our employees deserve the right to equal opportunities. We recognise the importance of gender equality in our workforce and are committed to embracing a company culture that reflects that. Our partners and suppliers are given the code of conduct and are required to provide safe working conditions, to treat women and everyone fairly and ethical. Livingstone requires its supplier to operate in accordance with suppliers code of conducted with compliance with all applicable laws and regulations. Livingstone encourages equal opportunities and pay in all roles in our workplace to support growth, stability and empowerment despite your gender nor sexuality. Livingstone aims to maintain 45% to 55% of female leadership and representation in senior leadership roles. With an increase in domestic violence cases, physical or sexual violence, Livingstone has implemented a Domestic Violence initiative, to ensure the safety and wellbeing of all staff members. This entails unpaid leave for anyone experiencing violent, threatening or other abusive behaviour and seeks to coerce, control or cause harm or fear. The leave is taken to ensure arrangements are made for the safety of the individual and/or their family members, attend court hearings or access police services. Support and confidentiality is provided and guaranteed. **The safety and wellbeing of all employees is paramount to Livingstone.**

## Diversity & Inclusivity

At Livingstone, we believe that everyone deserves the right to equal opportunities. We recognise the importance of diversity and inclusivity in our workforce and are committed to embracing a company culture that reflects that. We celebrate and encourage inclusion and diversity in all its forms regardless of gender, ethnicity, religion, disability, sexuality and so forth. We have partnered with not-for-profit organisations that open doors for the disabled, Indigenous businesses and communities as well as social ventures so that we can continue to promote diversity throughout our supply chain and within our business. Being an Australian owned company, we are passionate in developing key initiatives to an important movement by creating, supporting and providing opportunities for Aboriginal and Torres Strait Islander peoples, their communities and their businesses. We are proud to announce our Indigenous artists Jason Douglas & Trevor Eastwood from Dalmarri in creating artwork for the packaging to help us depict our story and vision to improve healthcare to all communities by providing access to quality products. Through our collaboration with Dalmarri, we were able to contribute to their movement in providing education and awareness to corporations, individuals and schools across Australia through art and further employment for Indigenous peoples.

### YOU CAN MAKE A DIFFERENCE TODAY

By purchasing any of the Miyan and Duga products, 10c of every product sold will be donated to carefully selected Indigenous initiatives and communities. Every \$1 spent towards Indigenous businesses and products will generate \$4.41 for Indigenous communities.
